

Puffer Fish Cutting Activity

You will need:

- Scissors
- White crayon
- 2 wiggle eyes
- Stapler or tape
- Glue

Instructions:

Step 1: Print out the puffer fish PDF on colored card stock paper or use the colored print out

Step 2: Cut a rectangle and 2 triangles from the template

Step 3: Draw a circle for the mouth near the center of the rectangle. Add some dots

Step 4: Roll the rectangle and secure with tape or staple it

Step 5: Stick both triangles for fins on the inside of the rectangle. Allow them to stick out.

Step 6: Stick 2 wiggle eyes

Step 7: Stick your fish on a blank piece of paper and draw the ocean scene.
